FOR IMMEDIATE RELEASE

## Greater Nassau Chorus Member Honored

Joan Jacques of Farmingdale was recently presented with a Longevity Award in recognition of her 25-year membership in Sweet Adelines International, a worldwide organization of women singers committed to advancing the musical art form of barbershop harmony through education and performance.

“I always loved music but I came to appreciate it even more when I joined Sweet Adelines,” said Jacques, a current member of Greater Nassau Chorus who formerly sang with a barbershop quartet named “Synergy” in the late 80s. “It’s a learning experience. I was always in choirs but this exceeds almost any other group in terms of quality and variety. It’s such an interesting, phenomenal thing in Sweet Adelines with the people that you meet, the places you travel, and the things you do.”

Jacques has competed with Greater Nassau Chorus, a chapter of Sweet Adelines International, in many Regional and International contests and will be traveling to Nashville with the chorus this October for their 9th appearance on the International stage.

Women are invited to discover the joy of singing chord-ringing, fun-filled music a cappella-style with Greater Nassau Chorus. For more information, visit [www.greaternassauchorus.org](http://www.greaternassauchorus.org).
